

Dear Campers and Families:

It is once again time to start thinking about summer plans, and we are hard at work preparing for an outstanding summer!

The summer of 2010 is going to be full of fun and education! As always, you have many wonderful programs from which to choose! Is your camper looking for a **Day Camp** experience or wants to attend one of our **Resident Camp Programs (Clara Barton Camp and Camp Joslin*)**? Or perhaps your teen camper is looking for a little more adventure in our **Adventure Programs** and **Wilderness Leadership Programs!** No matter what your camper's interests and age are, we have a program for you!

Our programs are designed to enhance the lives of children living with insulin-dependent diabetes through education, recreation, and support programs which inspire and empower. We are committed to providing a great diabetes camping experience for our campers. As you know, quality medical specialty programming comes with associated expenses. Each year we work diligently to keep fees as low as possible, and continue to charge less than camp actually costs.

Enclosed you will find a Registration & Fee Information sheet with our new camp costs as well as a separate sheet explaining the actual costs of each camp. As always, the Campership Fund is available for qualifying families. **Please be aware that Campership Fund monies will be limited, based on the success of our ongoing fundraising efforts and will be awarded on a first-come, first-served, sliding-scale basis.** Also enclosed is a brochure of helpful hints on wonderful ways to raise your own camp fee, identify sponsors, and tips to seek reimbursement through your health insurance plan. We strongly encourage you to review this information carefully and make every effort to independently raise the funds needed for your child to attend camp. Barton remains steadfast in its commitment to world class diabetes camping and thanks you in advance for your support and understanding.

You can register online at www.bartoncenter.org or by sending the appropriate paper application, registration fee, and any supporting documentation to the administrative office. **Complete** applications are accepted on a first-come, first-served basis, regardless of financial status. Please remember that sessions fill VERY quickly, so send your application soon to ensure your first choice of programs!

If you have any questions, comments, concerns or ideas, we would love to hear from you. Please do not hesitate to contact us!
