The Barton Center for Diabetes Education, Inc., is a 501(c)(3) nonprofit organization.

Fall 2009

Dear Potential Barton Staff Member or Volunteer!

We are currently on a mission to recruit **outstanding** individuals to work at our resident girls program (Clara Barton Camp), resident boys program (Camp Joslin), our coed Barton Day Camp programs, and our coed Adventure and Wilderness Leadership Programs. Each position is integral to the creation of the best possible camping experience for children with diabetes. While having knowledge of diabetes is helpful, it is not necessary. We will educate you on diabetes management before the campers arrive at our week-long staff training! However, it is crucial that you bring a desire to inspire young people through your enthusiasm, flexibility, personal strengths, and **your passion for camp**.

Being a staff member at any summer camp is an amazing experience and it takes a special kind of **"camp person;"** someone who can **relate to kids on their level**, who has the ability to **give of themselves**, and who can be **fun and responsible** all at the same time. We commend you for making this admirable career choice!

All staff must be available from June 20 to August 15, 2010, unless contracted for our Family Camp program which ends August 19, 2010. Staff members applying for Director/Program positions must be available for Leadership Team training which starts on or around June 15, 2010. Positions will be filled on a first-come, first-served basis to those who are most qualified and have completed and returned all necessary forms.

If you are interested in a position at The Barton Center, please do the following:

1. Fill out the enclosed application, and mail it to The Barton Center office.
2. If you did not work during the summer 2009 season, have the three enclosed reference forms completed and mailed directly to The Barton Center office by professionals who can attest to your skills, character, and work experience (must be a non-relative). References should be from teachers or previous/current employers.

As soon as **all** of the paperwork is complete and received in The Barton Center office, you will be contacted for an interview. If you have any questions, or need additional information, please feel free to contact us by phone at 508-987-2056 ext 212, email, or visit our website for more information.

We look forward to receiving your application ☺
