Since many alumni cannot attend the summer Alumni Days, we have decided to venture out of the summer and extend an invitation to alumni from all eras to join us at Jillian's for **Alumni Night**. We are excited and looking forward to seeing many alumni who live in the Boston area and within the 95 corridor.

Please feel free to bring your loved ones, but Jillian's rules are 18 or over. Please see Jillian's website for dress code, directions, and parking. There are also directions for the MBTA.
