___Camp Joslin

November 18-20, 2016
NOVEMBER WACKY WEEKEND
\$260 per person Coed, Ages 6-16

This is the first opportunity for your child to see camp friends since the summer ended! This is also a chance for new campers to try out camp. November WACKY is a great program where we test a lot of new games and programs. "Ghosts" was a big hit this past November, while we continued to play camp classics like gaga and capture the flag! This is also a weekend where we help normalize diabetes by allowing children without diabetes to come to the program and get to experience what diabetes camp is like. Have a sibling or a friend without diabetes join your camper for this incredible experience!

December 27-30, 2016
WINTER CAMP
\$500 per person Coed, Ages 13-17

Winter Camp is a great opportunity for our teenage campers to have fun, bond, and learn more about themselves and their diabetes. Being a teenager is tough enough as it is, having diabetes makes it even more difficult. At Winter Camp, campers are given the opportunity to explore how they are dealing with their diabetes—mentally, socially, psychologically, and create and use a support group of people in a similar situation. Campers play a more significant role in their day-to-day diabetes management. Under the supervision of our health care staff, teens will be responsible for their own dosing and charting of numbers. Teen-themed topics are discussed over this four-day program.

February 10-12, 2017
FEBRUARY WACKY WEEKEND
\$260 per person Coed, Ages 6-16

Send a friend or a sibling without diabetes along with your camper to this winter wonderland weekend! Just like November WACKY, your camper will play new games and activities as well as enjoy the camp classics. This New England weekend typically provides a great opportunity to go sledding, build snowmen, and make snow angels with friends!

March 10-12, 2017
CAREGIVERS WEEKEND
\$175 per person Coed, All Ages
Under 2 Free

This weekend is tailored for people who want to learn how to properly take care of a loved one with type 1 diabetes. It's meant to teach people all the skills they need for diabetes management: checking blood sugars, using pumps/continuous glucose monitoring, counting carbs, dosing insulin, and everything in between. Parents, aunts, uncles, grandparents, family friends, babysitters, anyone and everyone are welcome to come with their loved one who has type 1 diabetes and learn more about t1d and how to care for someone with it. Learning takes place in a relaxed, fun camp environment. This has been a life-changing program for many of our participants. One participant wrote, "I feel more confident in managing my granddaughter's diabetes. It was good to share with other caregivers in a cooperative, non-rush situation."

March 18, 2017 Registration begins at noon.
ANNUAL ST. PATRICK'S ROAD RACE/WALK
\$25 Pre-registration fee Coed, All Ages

Sign up for this four-mile sanctioned event. See camp friends, pre-register and get a t-shirt. Ask family and friends to walk or run with you to help raise money through pledges toward your camp fee or for the general campership fund. This event is followed by a delicious buffet and an awards ceremony! Registration forms, sponsor forms, and pledge sheets will be online in 2017.

April 21-23, 2017
SPRINGTIME FAMILY CAMP
\$260 per person Coed, All Ages
Under 2 Free

This is a weekend for the entire family! We will be playing games, pitting children versus adults and families versus counselors in some amazing fun-filled games! We will also have diabetes education for the whole family. Adults get the chance to be a camper again and enjoy all of the activities they hear so much about! As our campers have put it, "getting to knock mom and dad out in the gaga pit is awesome!" Adults love the chance to meet other adults taking care of children with type 1 and get to share their experiences with one another as well as give their tips and tricks for managing.

April 23, 2017 2 p.m. to 4 p.m.
BARTON OPEN HOUSE
FREE Coed, All Ages

Are you thinking about sending your child to summer camp, but you want to get a sense of what camp is like before you decide? This is your opportunity to come see what Barton summer camp programs are all about: get to see where your child will be sleeping, eating, and playing while at camp! Come see Camp Joslin, Clara Barton Camp, or Barton Worcester Day Camp. Spend two hours sampling camp life and touring the property. This is a scheduled program that runs from 2 to 4 p.m. You choose which camp you'd like to visit. Please register to attend. Snacks and fun will be provided!

May 6, 2017 9 a.m. to 3 p.m.
SPRING WORK DAY AT CLARA BARTON CAMP & CAMP JOSLIN FREE Coed, All Ages

Winter is over, summer is just around the corner, and both Clara Barton Camp and Camp Joslin are in need of spring cleanup! Spend the day helping get each camp ready for the summer! You choose which camp you would like to work at. Come for the full day or part of the day—all help greatly appreciated! Choose to use Work Day as a way to earn your own camp fee or raise money for someone else by collecting pledges for your hours worked! Lunch is provided.
