

Family Camp Supplement Sheet

*Points on this sheet are directly related to the Family Camp Session. **Please continue to read the Camper Handbook and all other information in the confirmation packet**, because that information also relates to Family Camp unless otherwise noted on this form.

There is a space reserved for _____ people from the _____ family at the Clara Barton Family Camp session from Sunday, August 17th to Thursday, August 21st, 2014.

INFORMATION FOR PARENTS/GUARDIANS

Opening Day

IMPORTANT: Please read the following information carefully. Please arrive at camp between 2:00 PM and 4:00 PM on Opening Sunday. **PLEASE DO NOT ARRIVE BEFORE 2:00 PM ON OPENING DAY. YOU WILL NOT BE ALLOWED TO REGISTER OR MOVE IN EARLY UNDER ANY CIRCUMSTANCES!**

Registering for Family Camp is an extremely important process. It ensures that we have the necessary information to provide a safe, happy, and positive camp experience. Although the process can be lengthy, your patience is appreciated.

What You Will Need To Do During Registration

- Receive cabin assignment and move your family into the cabin.
- Meet your counselors and cabin mates.
- Meet with your family's health care team member. This will orient us with your family members, including diabetes protocols. At this time, insulin and other medication orders will be established. **No medications will be permitted to be kept in the cabins, whether for adults or children.**
- Meet with the camp dietitian (optional).
- Take a swim test at the pool. All children and adults are required to take a swim test.
- Return registration folder to the Program Directors (situated at the registration table inside the Chabot Center).
- Turn in the following forms: Pre-camp Blood Sugar & Insulin Record, Insulin/Pump Injection Form, signed last page of camper handbook (Handbook Agreement)
- Sign any missing forms.

Lodging and Facilities

While at camp, families will sleep in log cabins with other families and staff. Most cabins have 6-9 beds on the main floor, so families will be sharing living space. Full bathrooms (sink, toilet, shower) are in every cabin. All family members and staff sleep in camp twin beds. Families should bring all bedding and pillows for every family member (twin sheets and a blanket or sleeping bags). If your family needs special sleeping arrangements, please call the camp at least 2 weeks prior to Family Camp. At The Barton Center, we take pride in making the camp experience fun and safe for everyone: staff, campers, and parents. If we can be of assistance before or during the program, please do not hesitate to speak with us. We work hard to plan a program that everyone will enjoy. For that reason, we kindly request that families refrain from leaving the camp property unless it is an emergency.

Keeping in Touch at Camp

While we understand that outside concerns may require parents to call home or work, we ask that parents refrain from using cell phones while at camp activities or during family time. Please find time away from other camp activities to make phone calls. **Camp phones and computers will not be available for families to use for phone calls or emailing unless it is an emergency.** In an emergency, families can be reached by the camp phone at (508) 987-2056.

Closing Day

Closing Campfire will be held at 1:00 PM on closing day. The program will be finished no later than 4 PM. Please make travel arrangements accordingly.

Forms to be Returned

The following forms should be returned **at least two weeks before August 17th**: Health Form, Record of Examination, Authorization to Administer Medication, copy of camper insurance card and prescription card. Please be aware that a health examination form is needed for **each person** attending the family camp program. A Pre-camp Blood Sugar & Insulin Record must also be handed in on opening day for **each person with diabetes** attending the family camp program.

Questions

ANY questions, please call (508) 987-2056, ext. 2001 or e-mail ashley.napear@bartoncenter.org. We are happy to help you in any way possible!
