INFORMATION FOR PARENTS/GUARDIANS

Opening Day

IMPORTANT: Please read the following information carefully. Please arrive at camp between 2:00 PM and 4:00 PM on Opening Sunday. **PLEASE DO NOT ARRIVE BEFORE 2:00 PM ON OPENING DAY. YOU WILL NOT BE ALLOWED TO REGISTER OR MOVE IN EARLY UNDER ANY CIRCUMSTANCES!**

Registering for Family Camp is an extremely important process. It ensures that we have the necessary information to provide a safe, happy, and positive camp experience. Although the process can be lengthy, your patience is appreciated.

What You Will Need To Do During Registration

- Receive cabin assignment and move your family into the cabin.
- Meet your counselors and cabin mates.
- Meet with your family's health care team member. This will orient us with your family members, including diabetes protocols. At this time, insulin and other medication orders will be established. **No medications will be permitted to be kept in the cabins, whether for adults or children.**
- Meet with the camp dietitian (optional).
- Have ID photos taken for all family members.
- Take a swim test at the pond. All children and adults are required to take a swim test.
- Turn in the following forms: Pre-camp Blood Sugar & Insulin Record, Current Insulin Plan

Lodging and Facilities

While at camp, families will sleep in log cabins with other families and staff. Most cabins have 11-16 beds on the main floor, so families will be sharing living space. Full bathrooms (sink, toilet, shower) are in every cabin. All family members and staff sleep in camp twin beds. Families should bring all bedding and pillows for every family member (twin sheets and a blanket or sleeping bags). If your family needs special sleeping arrangements, please call the camp at least 2 weeks prior to Family Camp. At The Barton Center, we take pride in making the camp experience fun and safe for everyone: staff, campers, and parents. If we can be of assistance before or during the program, please do not hesitate to speak with us. We work hard to plan a program that everyone will enjoy. For that reason, we kindly request that families refrain from leaving the camp property unless it is an emergency.

Keeping in Touch at Camp

While we understand that outside concerns may require parents to call home or work, we ask that parents refrain from using cell phones while at camp activities or during family time. Please find time away from other camp activities to make phone calls. **Camp phones and computers will not be available for families to use for phone calls or emailing unless it is an emergency.** In an emergency, families can be reached by the camp phone at (508) 987-2056.

Closing Day

Closing ceremonies will be held at 1:00 PM on closing day. The program will be finished no later than 2:00 PM. Please make travel arrangements accordingly.

Forms to be Returned

The following forms should be returned **at least two weeks before August 13th**: Health Information Form, Primary Health Care Provider Approval Form, Authorization to Administer Medication, copy of camper insurance card and prescription card, and signed last page of camper handbook (Handbook Agreement). Please be aware that a Primary Health Care Provider Approval Form accompanied by a physical exam and immunization records is needed for **each person** attending the family camp program. A Pre-camp Blood Sugar & Insulin Record and a Current Insulin Plan should be completed for each camper under age 18 and presented to the Health Care Team during check-in to the Family Camp program.
