SLAMT1D, Inc is a 501c3 nonprofit organization committed to changing the game for people living with Type 1 Diabetes (T1D). We host grassroots sports tournaments that empower T1Ders to live life in full despite this lethal, life-altering autoimmune disease. Contributions like yours help SLAMT1D and The Barton Center for Diabetes Education broaden awareness about T1D, fund T1D camps, educational programs, peer-to-peer support, and mentoring opportunities for T1Ders of all ages. The Barton Center for Diabetes Education provides camps year-round for kids with T1D. Camp programs include day, overnight and sports camps, including Sam Fuld's T1D Sports Camp at UNH, July 5-8, 2018.
