**Authorization to Administer Medication to a Camper (2)**

I hereby authorize The Barton Center for Diabetes Education, Inc. to administer, to my child, \_\_\_\_\_ the medication(s) listed above, in accordance with 105 CMR 430.160. (NAME OF CHILLD)

Connecticut:

*In Connecticut, licensed camps administering medications to children shall comply with all requirements regarding the Administration of Medications described in the CT State Statutes and Regulations. Parents/Guardians requesting medication administration to their child while at camp shall provide the program with appropriate written authorization(s) and the medication before any medications are administered. Medications must be kept in the original container and labeled with the child's name, name of medication, directions for medication's administration, and date of the prescription. All unused medication shall be destroyed if not picked up within one week following the camper's departure at the end of camp.*

Massachusetts:

105 CMR 430.160(A)

*Medication prescribed for campers shall be kept in original containers bearing the pharmacy label, which shows the date of filling, the pharmacy name and address, the filling pharmacist's initials, the serial number of the prescription, the name of the patient, the name of the prescribing practitioner, the name of the prescribed medication, directions for use and cautionary statements, if any, contained in such prescription or required by law, and if tablets or capsules, the number in the container. All over the counter medications for campers shall be kept in the original containers containing the original label, which shall include the directions for use.*

105 CMR 430.160(C)

*Medication shall only be administered by the health supervisor\* or by a licensed health care professional authorized to administer prescription medications. The health care consultant shall acknowledge in writing the list of medications administered at the camp. If the health supervisor is not a licensed health care professional authorized to administer prescription medications, the administration of medications shall be under the professional oversight of the health care consultant. Medication prescribed for campers brought from home shall only be administered if it is from the original container, and there is written permission from the parent/guardian.*

105 CMR 430.160(D)

*When no longer needed, medications shall be returned to a parent or guardian whenever possible. If the medication cannot be returned, it shall be destroyed.*

\*Health Supervisor – A person who is at least 18 years of age, specially trained and certified in at least current American Red Cross First Aid (or its equivalent) and CPR, has been trained in the administration of medications and is under the professional oversight of a licensed health care professional authorized to administer prescription medications.
