

Adventure Programs Camper Code of Conduct

To ensure that every camper has a positive experience during Adventure Programs, campers and parents/guardians are required to read and sign the Adventure Programs Camper Code of Conduct. By signing the Code, campers and parents/guardians indicate agreement with the guidelines developed for these programs. Parents/guardians and the camper must realize that any behavior deemed to be inappropriate and/or unmanageable by the Adventure Camp Trip Leaders, Health Care Staff, or the medical provider on-site at residential camp may result in any or all of the following:

- ◇ **Meeting directly with designated Adventure Program staff to discuss behavior and consequences.**
- ◇ **Not being allowed to participate in a certain Adventure Program activity.**
- ◇ **A telephone call home to a parent/guardian to develop a behavior management plan.**
- ◇ **Being dismissed from the Adventure Program.**

I will...

- Wear shoes and socks at ALL times (flip flops/water shoes may be worn to water activities).
- Be on time for all program activities.
- Follow the Buddy System and always have another camper with me when going to or from activities.
- Tell a staff member when and where I am going, when I have returned, and not go anywhere else.
- Put all litter in trash cans, pick up after myself, and not vandalize camp property or any other property used by the Adventure Program.
- Follow the lights out at night rules and be respectful of other campers and staff who may be more/less tired than I am.
- Dispose of my syringes, pen needles, infusion sets, CGM sensors, and lancets in provided sharps containers.
- Follow the directions given to me by both the Adventure Program and Health Care Staff.
- Ask questions of Barton Center counselors and Health Care staff regarding my insulin doses and my diabetes care.
- Respect the differences in other people, make an effort to include everyone, and refrain from behavior that may hurt another camper's or staff member's feelings.
- Respect the property of others.
- Let a staff member know if I am not having a good time or if another camper is affecting my enjoyment of the program.
- Report teasing/bullying to a staff member.
- Try to be a friend to all.
- Have lots of **FUN** and a **GREAT** time!

I will not...

- Bring my cell phone unless it is used with my CGM device for my diabetes management.
- I will not use my cell phone for anything other than my diabetes management. This includes taking photos, texting, social media, internet access, and phone calls.
- Threaten, tease or bully any other person in any way.
- Use hurtful language, derogatory terms or offensive language when talking to or about any other person.
- Lie to a staff member or other campers regarding my behavior or someone else's.
- Bring a car to camp.
- Bring any kind of weapon, explosive/ammunition/fireworks onto camp property or any property used by the Adventure Program.
- Use or be near a waterfront area unless a staff member is with me and I have permission.
- Bring any candy, food, or insulin to the Adventure Program.
- Bring any electronic equipment unrelated to my diabetes management to the Adventure Program.
- Bring cigarettes, nicotine delivery systems, or illegal substances to camp or any property used by the Adventure Program, and I promise not to engage in, or be associated with anyone smoking, using nicotine delivery systems, or illegal substances at camp. I will inform an Adventure program staff member if I become aware of anyone engaged in these activities.
- Use foul language or gestures.
- Fight (using words or hands), and I will ask my counselor for assistance if I need help to resolve a problem.
- Take any medication including insulin unless I am directly supervised by appropriate camp staff—this includes self bolusing, even if I am allowed to do this at home.
- Steal or damage other people's property.

The Barton Center reserves the right to inspect camper's belongings at any time for any reason.
