

The Barton Center for Diabetes Education, Inc.

2022 COVID-19 RELEASE

FAMILY CAMP ADULT

This release is required for you to attend camp.

I have read all of The Barton Center for Diabetes Education, Inc.'s (hereinafter referred to as Barton or The Barton Center) COVID-19 Protocols and understand I will be required to follow Barton protocols outlined prior to arrival at camp and while at camp. I also understand that these protocols are subject to change as the pandemic evolves.

I understand that regardless of all efforts made by The Barton Center, COVID-19 is an extremely contagious virus which can cause serious medical conditions, including death. COVID-19 has been declared a worldwide pandemic by the World Health Organization, and as a result, federal, state, and local governments along with federal and state health agencies recommend social distancing, mask wearing, and limited congregation of people. The Barton Center has implemented precautionary procedures in an attempt to reduce the spread of the virus, including mandating proof of full vaccination for all campers and staff. However, given the extremely contagious nature of COVID-19, The Barton Center cannot guarantee that you will not contract the virus while attending camp programs. Therefore, if you choose to attend a Barton camp program, you may be exposing yourself to and/or increasing your risk of contracting COVID-19.

By signing this release, you are acknowledging that while attending a camp program operated by The Barton Center you may be exposed to and contract COVID-19. You are agreeing that you understand that there is a chance you may contract COVID-19 and may be seriously injured or killed by COVID-19.

On behalf of myself, I voluntarily accept all risk of contracting COVID-19 resulting from my participation in a Barton camp program. In consideration of being permitted to participate, I, on behalf of myself, family, heirs, and personal representative(s), agree to assume all of the risks and responsibilities of my participation in a Barton camp program, and I hereby release, waive, discharge, hold harmless, covenant not to sue and covenant to indemnify The Barton Center for Diabetes Education, Inc., its trustees, officers, agents, employees and contractors, and all other persons associated with The Barton Center for Diabetes Education, Inc. (collectively "Releases"), with respect to any and all liability for myself contracting COVID-19, cost or expense of any nature whatsoever related to COVID-19, including but not limited to suffering and death, which I may incur while participating in a Barton camp program.

This Release shall be interpreted under and governed by the laws of the Commonwealth of Massachusetts. If any provision of this Release is deemed so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable.

I HAVE CAREFULLY READ THIS RELEASE, AND I FULLY UNDERSTAND ITS CONTENTS.
