PRIMARY HEALTH CARE PROVIDER APPROVAL FORM

This form must be completed by the camper’s medical provider if the physical exam form does not include a statement indicating that the camper is cleared to fully participate in sports and/or camp activities.

Camper Name: _____ BIRTH DATE: _____ AGE: _____

Clara Barton Camp & Camp Joslin Coed Camp Vermont Overnight

Danvers Day Camp Worcester Day Camp Long Island Day Camp

Session Dates: _____ to _____

Dear Health Care Provider,

The above-named camper is registered to participate in one of The Barton Center for Diabetes Education’s Residential or Day Camp programs. These programs include several hours of moderate to intense physical activity daily; including sports such as swimming, soccer, basketball, tennis, and field hockey, and running games.

Please verify that the above-named camper is physically capable of participating in this type of program **and attach a copy of a physical exam performed no more than 12 months prior** to the last day of the planned camp session and a signed copy of the camper’s **immunization record**.

Thank you for your assistance.

- **The above-named camper is physically capable of participating in the program described above and has permission to engage in all program activities.**
