

Fall 2024

Dear Campers and Families,

Thank you for registering your family for our Fall Family Weekend.

Our Fall Family Weekend promises to be an entertaining, educational and an overall exceptional experience for both kids and adults! Activities at the program will include some camp classics like Gaga, singing camp songs, family to family interactions to talk about life with diabetes, and new activities. There will be educational tracks, so you can choose more basic education or more advanced topics. There will also be time provided for adults to discuss diabetes topics of interest as well as interactive educational games that will appeal to the whole family. With all this and much, much more, Fall Family Weekend is guaranteed to be an amazing experience.

Enclosed you will find an information packet that will answer your questions about the Fall Family Weekend. It is important that you read these forms carefully, fill out the necessary information, and mail them to The Barton Center office at PO Box 356, North Oxford, MA 01537. **Please return all forms to Barton at least two weeks before the program** except the Current Insulin Plan, which you should bring with you the day of the program. This will make the check-in process on Friday easier and faster for everyone.

Registration for this program will be on Friday, November 8th at 6:00 p.m. All participants should eat dinner prior to arrival. Please park in the Chabot Health and Education Center parking lot at 60 Clara Barton Road, North Oxford, where you will be met by volunteers who will direct you to the check-in table. The program will conclude between 4-5 p.m. on Monday.

If you have any questions, please do not hesitate to contact us at any time at 508-987-2056, Ext. 2000.

We look forward to seeing you at camp!

Kind regards,

The Barton Center Staff
